Guidelines for Scholarships for Argentinean Students Academic Year 2024-2025

1. **The Amalia Lacroze de Fortabat Fellowships** support graduate students at Harvard University who are citizens of Argentina. The scholarships are made possible by the generosity of Amalia Lacroze de Fortabat. Candidates are evaluated on the basis of merit and financial need. Priority is given to degree candidates in fields that will enable them to contribute to Argentina's social, economic and scientific progress; to the formulation of public policies that strengthen Argentine democracy, or to Argentina's academic and professional development. Fellowship recipients are expected to return to Argentina after the completion of their degrees.
2. **The Francis and Peggy Cahn Fund for Argentina** will support Argentinean students studying at the Harvard Graduate School of Arts and Sciences in the Engineering, Applied, Physical and Life Sciences; the Harvard T.H. Chan School of Public Health, the Harvard Kennedy School, or the Harvard Graduate School of Education. Candidates are evaluated on the basis of merit and financial need. It is the donors' wish that recipients have plans to return to Argentina and utilize their education to enable them to contribute to Argentina's social, economic, and scientific progress, and priority consideration will be given to those candidates.
3. **The Harvard Club of Argentina Fellowship Fund** will support Argentinean students who have been admitted for graduate study at one of Harvard University's graduate or professional schools. Candidates are evaluated on the basis of merit and financial need.

Applicants only need to submit one application to be considered for all three opportunities.

Candidates must apply to and be accepted by their school of choice at the University independent of this Fellowship application. Candidates do not need to know their admissions status in order to apply for this award. Admission to the University does not guarantee a fellowship award.

Applicants must apply for this fellowship prior to enrolling at Harvard University. Students who are currently enrolled at Harvard are not eligible to apply.

Fellowship recipients must be enrolled in full-time, in-residence degree programs which run during the regular academic year. Students applying to part-time, summer-only, or on-line programs are not eligible for consideration.

Fellowships are awarded for up to two years in a degree program.

The online application requires the following materials:
